

Sandra's Recipe Cards™

Sandra's Recipe Cards™ take the guesswork out of sample-making product selection and application. Each 6-inch by 9-inch card features a high-resolution, full-bleed color sample of one of Sandra Kiss London's original designs. On the reverse, the cards feature a helpful shopping list that details the products and tools Sandra uses to create each design. A "Before You

Begin" section provides basic guidelines for good surface preparation and "Sandra's Tips" reveals expert advice on secrets for ensuring an attractive, high-quality finish while avoiding common mistakes. Finally, step-by-step instructions and full-color photos demonstrate how to apply the selected finish. **Faux Like A Pro**, 119 Braintree St., Allston, MA 02134.

Spray Suit

Painter Supply Direct offers a lightweight, full-body spray suit that keeps you clean while spraying. A must for all spray applications, especially interior jobs where overspray and bounce-back are a problem. This professional quality spray suit is made with a lightweight and

breathable fabric that keeps you protected, but cool.

This spray suit features full-body coverage including a hood, soft elastic cuffs, ankles and a rear pocket for small tools. The inexpensive price makes this a truly disposable suit. To ensure the right fit, Painter Supply Direct offers this suit in four sizes: M, L, XL and XXL.

This professional spray suit is available exclusively through Painter Supply Direct on the Web at paintersupplydirect.com. **Painter Supply Direct**, 610 Rahway Ave., Union, NJ 07083.

Easy-Walls™

Easy to Hang. Easy to Remove.

Easy-Walls™ Wallcovering

The Chesapeake Wallcoverings Corporation introduces its groundbreaking new wallcovering product, Easy-Walls™. Easy-Walls™ is a revolutionary new pre-pasted, nonwoven wallcovering product designed to eliminate negative perceptions of the installation and removal process. The Easy-Walls™ products are washable, breathable, environmentally friendly and 100 percent vinyl free. Tim Quinn, president of Chesapeake Wallcovering Corporation, said, "Easy-Walls™ is the most user-friendly wallcovering ever introduced into the market. This highly engineered nonwoven fabric was specifically developed as a pre-pasted wallcovering product and designed to be easy to hang and easy to remove when redecorating." The Easy-Walls™ pre-pasted technol-

ogy has been developed for optimum performance and requires no additional adhesive to assure seamless wallcovering installation. Even if the end user applies a pre-pasted activator or lightweight paste during installation, it will not alter Easy-Walls™ ease of installation and dry removal features.

The Easy-Walls™ line is part of Chesapeake's family of nonwoven wallcovering products introduced in 2004. Additional attributes include no curling or lifting at seams and no booking time needed. Easy-Walls™ products are vinyl free so they contain no PVC or formaldehyde and are highly breathable to resist the growth of unhealthy mold and mildew, a major concern in many households. **Chesapeake Wallcoverings Corp.**, 401-H Prince George's Blvd., Upper Marlboro, MD 20774.
